GREAT NEWS ON Neighbors Go Section of the DMN- they did run both a photo & short follow up article on the Egypt trip! It ran in Richardson & Lake Highlands and featured a group of skiers, including us, right in front of the Pyramids of Egypt. Hooray! Although they left off the contact information you could not miss the caption above 'DFW Young At Heart Skiers'. Most will know to Google that and should be able to connect with us. Diligence does in deed pay off! Diane

Texas Ski Council Update

The Texas Ski Council Delegates meeting was held December 4, 2010 in Dallas. Charles Chapman, our President, and Marlow Muldoon, our TSC Delegate attended.

The 2010-11 ski season is off to a great start as our lodging numbers have increased over last year. Currently Beaver Creek has 375 people going, Bad Gastein Austria (125), Crested Butte (170) and Snowbird (190). Numbers from the Breckenridge trip in November were not available.

Of course, there was a discussion about the Egypt "adventure" and at this time the council is taking a "peaceful" approach in trying to resolve the issues.

There is a proposed change in the bylaws where clubs can base their participation in council activities to 20 % of their membership. Presently clubs are required to have 20 members participating in TSC activities per year. Clubs must meet these requirements in order to remain active. This is particularly 'good news' for YAHS.

We were reminded to have members visit the TSC website and check out the participating sponsors. Sponsors count the number of hits they have on this web site.

The council is looking for more volunteers to become officers or to sit on the board. Please contact Marlow if you are interested.

The SkiBidFest will be held in Houston, April 15-17, 2011 with delegates, sponsors and guests attending. This is where the decision will be made on the 2012 TSC trips.

Check out the TSC website, www.texas-ski.org, for more information.

A big thank-you to the Summers for hosting the Christmas party and a HAPPY NEW YEAR to all. Marlow Muldoon

WE'VE BEEN PLAYING

Merry, Merry, Merry- and it was! A great big THANK YOU to Billye and Charles Summers for hosting this year's YAHS Christmas Event in their grand mansion. Hosting isn't an easy task and we do appreciate all of the Summers efforts. Your directions were perfect and we lost no one in transit either!

36 members shared the delightful evening. A big THANK YOU to Joyce for preparing the delicious brisket and to Marlow for playing Chinese Santa for the gift exchange. As usual all members brought their specialties to accompany the brisket, appetizers and desserts- everything was delicious.

Joyce and Marlow also provided a lot of gifty surprises from TSC meetings and, together with each member's white elephant gifts, it made for a lot of laughter.

Greg Jones was kind enough to collect & track reservations, while Allen and Pam toted the libations to the event.

Now we are on to a New Year and more fun to come.....

FIRST TRACKS!!! Larry and Lynn Fellman made their first visit to Telluride December 8-12. We found it a great venue although this year experiencing an atypical lack of early snow. We stayed in condo in the historic town which was a short walk from the convenient free gondola ride to the up mountain village. From there just a few steps to the first lift. Interesting restaurants and shops in both places. For the limited number of trails open, conditions were good and there were no crowds. We wandered into the mid-mountain grill at a little before 11 AM on Thursday and were greeted as the "first customers of the season" when we had hot chocolate. The executive chef came out to ask if everything was OK and Lynn said she missed marshmallows or whipped cream for the hot chocolate. He promised it would be there the next day. (When it wasn't the manager "comp"-ed our hot chocolate on Friday.) Lynn made some major progress in her skiing and was confidently going down the blues on Friday and Saturday.

Our thanks to the club gift exchange for the gift of the She Crab Soup which we took with us and prepared in the condo. It was enjoyed by us and some new friends.

All in all, we would recommend Telluride to anyone looking for an off the beaten track ski vacation. The scenery is magnificent--the equal to Tahoe minus the lake of course. We didn't see any celebs but the locals love to point out the multimillion dollar homes of the likes of Tom Cruise and Ralph Lauren

WE NEED YOUR HELP

***DOWNHILL DINERS.** It will be May before Larry will be able to plan any DD dinners for the group. We're hoping some others will take up the slack. If you will come forward and agree to make arrangements for just one monthly event in 2011 (dinner/picnic/cocktail party) we can all enjoy a full year of camaraderie without anyone having to absorb all the effort. It's all about getting together and keeping in touch really. See following:*

Mary McManemin: Members please send me the information regarding any event or place, such as a museum, exhibition, or restaurant. Anything that would be of interest to you. Just send me your email address with your place of interest. I'll check on arrangements for our group. Thanks, Mary McManemin

We're keeping in shape for Ski Season, are you??? Champion Trail Bike Rides – Saturday mornings.....The Muldoons go out nearly every Saturday. Experience our wonderful Fall weather with us! If we have 8 or more confirmed people joining us we will have our mimosas after the ride. Coffee, juice, baked goods are always available. Joyce/Marlow

Travel Tip - If you are traveling through the airport anytime soon- you may not be lucky enough to get the 'full body' pat down. All is not lost- with the 'full body scan' you might want to request a couple of 8 X 10'sthey make great "Guess Who" New Year Cards!

SHRIMP PATE

4 4-oz. Cans medium or small whole baby shrimp (de-veined is good)
½ cup butter or margarine, melted
½ cup mayonnaise
1 small regular onion, minced
2 tablespoons lemon juice
Dash of Tabasco sauce

Sauce: 1 cup catsup
2 tablespoons horseradish
2 teaspoons lemon juice

Mash shrimp well and add onion. Pour butter over shrimp and onion. Add mayonnaise, lemon juice, and Tabasco sauce. Mix and pack into a mold (ring mold is right size). Unmolding works better if you grease or butter the mold first.

Refrigerate for at least 3 hours. Blend sauce ingredients and refrigerate. Unmold and pour sauce over pate or serve in separate bowl. Serve with crackers.

FRUGAL IS COOL !! Do you have any bargains you would like to share please email/snail mail them on to Pam for next month's edition. **REMEMBER all those dollars saved today add up to more ski days tomorrow.**
