Q. Newsletter Trivia: Q: Jove is to _____ as _____ is to Ares as Odin is to Thor? See answer at end of newsletter. (A. appears later in this issue)

MEMBERSHIP – Diane Reed dianereed1@swbell.net

I counted 15 inquiries about our club this year! Each one received at least one newsletter, a membership application and information. There were five notices that made it into the Seniors section of the Dallas Morning News. They tell me they get so many requests that they can't always put our notices in. Word of mouth is still the best way to expand our membership..

Kudos Diane for a job well done! We all appreciate your service as you keep Young At Heart Skiers ‘sliding downhill’ ! Membership, like Snow, needs to come in regularly and the more the better.

TEXAS SKI COUNCIL "TSC" Update – Marlow/Joyce Muldoon

mjmuldoon@verizon.net

At the bid fest in March the travel agent SKI EUROPE made a very generous donation of \$25,000 to the TSC youth foundation. The Texas ski council has founded a youth foundation for under privileged kids. The Thanksgiving trip is used to promote skiing for underprivileged children. This was a very generous donation.

WE HAVE TWO VOLUNTEERS FOR TRIP LEADERS: Pam Terrell will be on point for the Winter Shoot Out at Crested Butte in February and Larry Fellman will be on point for the Final Showdown at Snowbird in March. For preliminary planning purposes please make your interest known to either or both of them;

WE'VE BEEN PLAYING

Le Cordon Blue–May 6..... Maggie Phillips

On May 6, 25 DFW YAHS members and guests gathered at Le Technique Restaurant which is the Dallas chapter of Le Cordon Bleu French Cooking School. Our exceptional Host for the evening was Phyllis Schieber and she orchestrated a First Class evening. We entered to a wonderful open bar area for 30 minutes of drinks and visiting. We were then seated to enjoy a lovely three-course French dinner overlooking the operational kitchen with white Chef Hats bobbing about. We opened with song to celebrate Bill Nickels birthday!

The preset menu offered choices for appetizers, entrees, and desserts. All were quite delicious and artfully presented. The students about to graduate their 16 month of study were our Chefs for the evening. However, all students participate as servers, wine stewards, etc. And, of course, they all did an excellent job!

Charles offered door prizes that he had brought back from the recent TSC meeting in Houston and several members left the evening donning new T shirts and caps! Some were lucky enough to take home new ski paraphernalia.

Tout le monde avait un bon temps, et le diner etait tres excellent!

Merci beaucoup, Phyllis, for all of your hard work and for sharing your hidden treasure!

\$\$\$ and SENSE

Did you know that your cell phone carrier will probably GIVE you a New & Improved Phone every 18-24 months. All you have to do is renew your contract with them ??? If you are with ATT just stop in at any Radio Shack- they'll even transfer your numbers/info to the new phone for you! All you pay is a small transfer fee of less than \$20.

Keep a watch out for the new "Homestar" program coming soon. Much like the appliance rebate only it includes the whole house! Google Homestar

Product Recommendation: "Plant Nannies" available from Amazon and other internet sources, roughly 4 for \$20. This is a ceramic filter that fits onto a wine bottle full of tap water; when inverted into a potted plant, it releases water over a number of days nurturing your plants while you are out of town.

FRUGAL IS COOL !!

Do you have any bargains you would like to share please email/snail mail them on to Pam for next month's edition.
REMEMBER all those dollars saved today add up to more ski days tomorrow.
