

December 31, 2013 Treasurer's Report -- *Beach Aten*

The club has a balance on hand of \$6,302, of which \$5,153 is committed for the Jackson Hole trip. We received seven membership renewals this month out of eleven scheduled. For the past twelve months we received 38 renewals (or new members)—compared to 43 last period. I anticipate two more within a few days, but the downward trend in membership is continuing.

There was a considerable amount of activity in the account this month, but most of it involved receipts and payments for Jackson Hole. There were two club expenditures: \$56 for website support and \$55 for Christmas party expenses. The latter was partially offset by receipt of a \$10 guest fee.
